

Unlocking Sustainable Leadership Excellence

TRANSFORMATIVE 2 DAY WORKSHOP DESIGNED FOR EXEC LEADERS

Key Highlights

Expert Guidance: Delivered by Sustainability and High-Performance Leadership experts, following extensive consultation with Veolia.

Tailored Content: Crafted to equip Exec Leaders with understanding and knowledge to make strategic sustainability decisions and create a practical sustainability action plan for their organisation.

Practical Insights: Gain actionable strategies to integrate sustainability into your leadership approach, enhance organisational resilience, and drive positive environmental impact.

Why Attend?

Stay Ahead: Acquire the knowledge and skills needed to steer your organisation through the complex landscape of sustainability, positioning it as an industry leader.

Organisational Resilience: Learn how sustainability practices contribute to organisational resilience, providing a competitive edge in an environmentally conscious world.

Network: Connect with fellow Leaders, share experiences, and explore collaborative opportunities for a sustainable future.
